ABOUT H.G. FOUNDATION

H.G. Infra Engineering Limited (the "Company" or "HGIEL") is dedicated to its work and its CSR policy by making a significant and long-lasting difference through sustainable measures, by actively contributing to the Social, Economic, and Environmental development of the community in which the company operates, ensuring community participation, and by doing so, creating value for the country.

H.G. Infra Engineering Limited philanthropic arm, known as the H.G. Foundation, (the "Foundation") is established to support the company's various CSR and Community Welfare projects and demonstrate its commitment to "Building Community for Better Future."

The foundation is committed to the pursuit of making the lives of people happier and supports various initiatives for Community Welfare including programs in the fields of education, health care, rural development, environmental sustainability, animal welfare, reduce hunger & poverty etc.

VISION

Through sustainable measures, actively contribute to the Social, Economic and Environmental development of the community in which we operate with participation from the community to create value for the nation.

MISSION

We aim to assist the community in achieving the quality of life by providing overall growth through infrastructure, healthcare, and education initiatives.

VALUES

Our values are composed of three C's Clarity, Commitment, Consistency that are helping us to build a community for a better future.

OUR FOCUS AREAS

OUR ONGOING PROJECTS

CORPORATE SOCIAL RESPONSIBILITIES (CSR)

HRDP: Adoption of Villages is an CSR Initiative to transform the villages into “Model Villages” through holistic and sustainable development backed up by futuristic and progressive skills leading to higher level of productivity and improvement in overall quality of life at the community level. The Five key focus area of the program are infrastructure, education, health, livelihood, natural resource management. The program is currently being implemented at 5 villages in Sirohi, Udaipur & Rajsamand districts of Rajasthan.

HG Ki Pathshala is a CSR initiative for the adoption of Government schools and Tribal hostels for their holistic advancement through physical infrastructure development, academic transformation and access to digital technology. The program is currently being implemented in Jaipur, Sirohi, Udaipur & Rajsamand districts of Rajasthan.

HG Ki Pathshala

Tribal hostel transformation project is a unique holistic intervention, under HG Ki Pathshala, designed to impact the ecosystem at Tribal hostels in a multi-dimensional way to develop these residential hostels into Model hostels by building better infrastructure and creating an innovative learning ecosystem. The program is currently being implemented at four hostels in Sirohi district of Rajasthan

HG Scholarships aim to improve and facilitate the literacy levels in various sections of society by providing financial support to the well-deserving students, including women empowerment through a 50% reservation of the scholarships for girl students. The scholarships are provided since financial year 2020-21.

OUR ONGOING PROJECTS

CORPORATE SOCIAL RESPONSIBILITIES (CSR)

HG Care - Community Welfare is a multi-initiative program for welfare of the community through contribution towards Education, Healthcare, Social and Animal Welfare to create a safe, clean and healthy environment for all as well as wellness of the Community. The program is currently being implemented at various project sites of the Company.

HG Green Drive is an CSR initiative aims to plant trees with care and look after them to ensure their survival & growth, to contribute in environmental sustainability with following operation models:

Barren Community Land Transformation Program : Aimed to convert a denuded area of land into a lush green forest to create an ecosystem involving community members who will help to grow and nurture trees in long term. The program is currently being implement at Karoti Village, Sirohi, Rajasthan.

Rural Livelihood Support Program : Aimed to helping farmers to grow their income along with the trees, mitigate crop failures & meet fruit-based nutritional demand of masses. The program is currently being implemented near Badgaon, Udaipur, Rajasthan.

Urban Plantation Program : Aimed to bring about a green revolution wherein the communities would come together to nurture the environment for a sustainable and better living and also preventing the city dwellers from the effect of the pollution. The program is currently being implemented at Scout Guide Training center, Govindpura-Ropada, Jaipur, Rajasthan.

QUARTER UPDATES (JULY - SEPTEMBER 2022) **OTHER WELFARE PROJECTS**

Reduce Hunger & Poverty : Free meal distribution to patients and their attendants in S.M.S and Janana Hospitals Jaipur, Rajasthan on a daily basis. Total 27720 meals have been distributed till September, 2022.

Animal Welfare : Feed-fodder for cows & birds on daily basis in Jaipur, Rajasthan on a daily basis. Total 83 days has been served till September, 2022.

Deepawali Celebration : Distribution of sweets, cloths, shoes, blankets and food packets to needy/homeless people and Orphanage, shelter homes, old age homes, govt. schools etc. in the festival month of Deepawali in Jaipur, Rajasthan.

Kanya Kalyan Yojana : This initiative provides financial assistance to economically weaker section of employees of HGIEL on the occasion of marriage of their daughter and/or sister. It provides some help to the bride as she takes her first step towards married life & build a new family. Total 35 Girls have been benefited under this scheme till September, 2022.

QUARTER UPDATES (JULY - SEPTEMBER 2022) HRDP - ADOPTION OF VILLAGES PROGRAM

HG Care - Adoption of Villages Program [Holistic Rural Development Program (HRDP)] is a CSR initiative of HG Infra Engineering Ltd. to transform the villages into model villages through holistic and sustainable development backed up by futuristic and progressive skills leading to higher levels of productivity and improvement in overall quality of life at the community level.

Sessions for Students on everyday Health & Hygiene in Raya - Kailashpuri

Chiranjeevi Yojana Registration Camps for the Community in Matata

Sessions on Mental Wellbeing for Students at Matata School

Free Health Check-up Camp for all Community Members in Munwas

TESTIMONIALS

UDAILAL DANGI

Village Name - Kailashpuri, Udaipur

I live in Matata Kailashpuri and practice agriculture and animal husbandry for livelihood. I participated in the Chiranjeevi Yojana registration camp organized by H.G. Foundation team in our village and registered my family to receive free healthcare services as part of the govt scheme. I also participated in the Free Health Check-up Camp organised by H.G. Foundation Team and was diagnosed with Diabetes. The team members further guided me on how I can receive free treatment using my Chiranjeevi Card. I am thankful for the earnest support provided by H.G. Care team members to me and my family members.

SWEET KUNWAR

Village Name - Raya Kailashpuri

My name is Sweet Kunwar and I am working in Raya Kailashpuri School. When I was posted here, the basic needs and facilities were not there and after that a lot of work was done by H.G. Foundation which included water facility, light, computer and so on. Facilities like taps etc. have been made in the bathroom, children are taking interest in studies now with the resources provided such as the computer lab.

TESTIMONIALS

THANURAM MEGHWAL

Government Primary School, Raya Godach (Rajsamand)

I Thanuram Meghwal, principal of Government Primary School Raya Godach want to thank H.G. Foundation for all the great work done by them in the school. They've constructed new toilets, handwash facility, and renovated existing school building. They've also established a computer lab with offline server. The children look forward to coming to school now. The transformation of school is also being appreciated by all parents.

MAHESH CHANDRA VAISHNAV

Government Senior Secondary School, Matata
Kailashpuri (Udaipur)

I am Mahesh Chandra Vaishnav working in Matata school. We are thankful to H.G. Foundation team for all the development work done by them. The multipurpose hall constructed by them is being used regularly by school to organise games, celebrations and other events. Also, students and staff members both feel safe now using the newly developed toilet facilities.

QUARTER UPDATES (JULY - SEPTEMBER 2022) TRIBAL HOSTEL TRANSFORMATION PROJECT **H.G. Ki PATHSHALA**

Session on Digital Literacy at Amthala Hostel

TESTIMONIALS

Mr. Movaram Garasiya, Warden

Warden - Rana Punja Govt. Boys Hostel, Siyawa

I've been serving as the warden here for many years. Earlier the hostel building was in a very bad state, even the toilet facilities were not proper. I'm thankful to H.G. Foundation as they have completely transformed the hostel building. They've also donated computers and established a lab with an Offline Knowledge Server for students.

Dr. T. Shubhamangala

IAS CEO, Zila Parishad, Sirohi

It is an admirable initiative. The resources provided in the project will surely help in recognizing & nurturing the multiple talents of students from tribal areas in the field of academics and sports.

पशुपालन विभाग के राज्य रोग निदान केन्द्र में आर्टी पी सीआर तकनीक से रोग निदान की सुविधा प्रारम्भ।

30 Sep, 2022

Download

पशुपालन विभाग के राज्य रोग निदान केन्द्र में आर्टी पी सीआर तकनीक से रोग निदान की सुविधा प्रारम्भ।

जयपुर, 30 सितम्बर। पशुपालन विभाग के शासन सचिव श्री पी.सी. किशोर, ने कुतवाड की विभाग के जयपुर में पांच वरी खित राज्य रोग निदान केन्द्र में नवस्थापित आर्टी पी सीआर तकनीक से रोग निदान की सुविधाओं का शुभारम्भ किया।

श्री किशोर ने बताया कि राज्य रोग निदान केन्द्र में यह सुविधा H.G. Foundation के द्वारा, H.G. Infra Engineering Ltd के अधिक सहयोग से लक्ष्य रोग एवं अन्य पशु रोग नियंत्रण में सक्रिय सहयोग देने के उद्देश्य से स्थापित की गयी है।

H.G. Infra कंपनी के कार्यकारी निदेशक डॉ. दिनेश कुमार गौगल ने बताया की PCR तकनीक से अब रोग निदान सुविधा राज्य रोग निदान केन्द्र में स्थापित होने से ऐसी कई चुकिलों का समाधान होगा साथ ही साथ लक्ष्य रोग नियंत्रण में भी आसानी होगी।

पशुपालन विभाग की नृशा क्षेत्रीय रोग निदान केन्द्रों पर भी ऐसी सिधित रोग निदान सुविधाएँ स्थापित करने की है। निरत प्रेश के बहुमुख पधुन में समय-समय पर होने वाले रोगों का त्वाहित रोग निदान किया जाकट, तिना समय गवाए रोग नियंत्रण के उपाय किये जा सके और पशुपालकों को आर्थिक नुसालन से बचाया जा सके।

अन्तिम में पशु-पलियों के अन्य रोगों में भी इस तकनीक से नाग की सुविधाएँ उपलब्ध होने से अन्य प्रदेशों के रोग निदान केन्द्रों पर निर्भरता नही रहेगी।

इस लोक पर H.G. Infra एवं H.G. Foundation से डॉ. दिनेश गौगल, निदेशक रोग निदान एवं अन्तर्गत मातृ उपस्थित रहे।

TESTIMONIALS

Dr. RAVI ISRANI

Joint Director
(State Disease Diagnosis Centre, Jaipur, Rajasthan)

In the past, samples were sent to disease diagnostic centres or central disease diagnostic laboratories of other states for testing with this technique necessary for testing in many animal diseases. Due to which the test took more time and there was pressure to send limited number of samples. On many occasions, the samples are suspected to be defective on the way, but now we are very thankful to H.G. Infra and H.G. Foundation to provide RT-PCR facility which will fast the diagnosis process."

Dr. NARENDRA MOHAN SINGH

Additional Director, Monitoring Directorate
(Animal Husbandry Department, Rajasthan)

The establishment of RT-PCR facility in the State Disease Diagnostic Center will solve many such problems as well as will ease lumpy disease control. In future, due to the availability of facilities for testing with this technique in other diseases of animals and birds, there will be no dependence on disease diagnosis centers of other states. Kudos to H.G. Infra and H.G. Foundation for this great work.
