# About

## H.G. FOUNDATION

H.G. Infra Engineering Limited (the "Company" or "HGIEL") is dedicated to its work and its CSR policy by making a significant and long-lasting difference through sustainable measures, by actively contributing to the Social, Economic, and Environmental development of the community in which the company operate, ensuring community participation, and by doing so, creating value for the country.

HGIEL's philanthropic arm, known as the H.G. Foundation, (the "Foundation") is established to support the company's various CSR and Community Welfare projects and demonstrate its commitment to "Building Community for Better Future."

The foundation is committed to the pursuit of making the lives of people happier and supports various initiatives for Community Welfare including programs in the fields of education, health care, rural development, environmental sustainability, animal welfare, reduce hunger & poverty etc.

### VISION

*Through sustainable measures, actively contribute to the Social, Economic and Environmental development of the community in which we operate with participation from the community to create value for the nation.*

### MISSION

*We aim to assist the community in achieving the quality of life by providing overall growth through infrastructure, healthcare, and education initiatives.*

### VALUES

*Our values are composed of three C's (Clarity, Commitment, Consistency) that are helping us to build a community for a better future.*

# Our FOCUS AREAS

# HG CARE - ONGOING CSR PROJECTS

**HRDP: Adoption of Villages** is a CSR Initiative to transform the villages into "Model Villages" through holistic and sustainable development backed up by futuristic and progressive skills leading to higher level of productivity and improvement in overall quality of life at the community level. The Five key focus area of the program are infrastructure, education, health, livelihood, natural resource management. The program is currently being implemented at 5 villages in Sirohi, Udaipur & Rajsamand districts of Rajasthan.

**HG Ki Pathshala** is a CSR initiative for the adoption of Government schools and Tribal hostels for their holistic advancement through physical infrastructure development, academic transformation and access to digital technology. The program is currently being implemented in Jaipur, Sirohi, Udaipur & Rajsamand districts of Rajasthan.

Tribal hostel transformation project is a unique holistic intervention, under HG Ki Pathshala, designed to impact the ecosystem at Tribal hostels in a multi-dimensional way to develop these residential hostels into Model hostels by building better infrastructure and creating an innovative learning ecosystem. The program is currently being implemented at four hostels in Sirohi district of Rajasthan

HG Scholarships aim to improve and facilitate the literacy levels in various sections of society by providing financial support to the well-deserving students, including women empowerment through a 50% reservation of the scholarships for girl students. The scholarships are provided since financial year 2020-21.

## HG CARE - ONGOING CSR PROJECTS

**HG Care - Community Welfare** is a multi-initiative program for welfare of the community through contribution towards Education, Healthcare, Social and Animal Welfare to create a safe, clean and healthy environment for all as well as wellness of the Community. The program is currently being implemented at various project sites of the Company.

**HG Green Drive** is a CSR initiative aims to plant trees with care and look after them to ensure their survival & growth, to contribute in environmental sustainability with following operation models :

*Barren Community Land Transformation Program* : Aimed to convert a denuded area of land into a lush green forest to create an ecosystem involving community members who will help to grow and nurture trees in long term. The program is currently being implement at Karoti Village, Sirohi, Rajasthan.

*Rural Livelihood Support Program* : Aimed to helping farmers to grow their income along with the trees, mitigate crop failures & meet fruit-based nutritional demand of masses. The program is currently being implemented near Badgaon, Udaipur, Rajasthan.

*Urban Plantation Program* : Aimed to bring about a green revolution wherein the communities would come together to nurture the environment for a sustainable and better living and also preventing the city dwellers from the effect of the pollution. The program is currently being implemented at Scout Guide Training center, Govindpura- Ropada, Jaipur, Rajasthan.

## HG CARE - ONGOING WELFARE PROJECTS

**Project Ananya** : An initiative to bring happiness at Shelter homes, Orphanages, Old age homes, NGO and Government schools and needy section of society by providing various kits, organizing events/annual days, celebrating festivals as well as providing blankets in winter season.

**Project Pattal** : An initiative to reduce hunger & poverty by providing free meals to patients and their attendants at Government hospitals on daily basis.

**Project Loyal** : An initiative for Animal Welfare by providing feed-fodder and water for cows & birds on daily basis and support for general care, shelter and husbandry.

**Kanya Kalyan Yojana** : An initiative to provide financial assistance to economically weaker section of employees of HGIEL on the occasion of marriage of their daughter and/or sister. It provides some help to the bride as she takes her first step towards married life & build a new family.

Girls Benefitted : 50 (FY 22-23 : Till December 2022)

# TESTIMONIALS

**Mangi Lal Gameti**

(Resident of Raya, Kailashpuri)

I live in village Raya of Kailashpuri, my name is Mangilal son of Dhula ji, my wife got ill sometime back, I took her to the nearest private Ananta Hospital for treatment. It was fortunate for me as I used Chiranjeevi card that was created during Chiranjeevi Camp in the Matata village by H.G. Care Team. I used it for treatment and also got a benefit of Rs 27,800. I would not have been able to do this treatment without Chiranjeevi and H.G. Team's efforts for creating awareness through the camp.

**Sheila Nagda**

(Asha Sahyogini, Munwas)

I've been serving as Asha Sahyogini for the past 18 years. The condition of GUPS Munwas was very poor earlier. H.G. Care has transformed the school and established a computer lab as well through which the teaching learning standards in the school have improved. They have also renovated the Public Health Centre, organised Chiranjeevi Registration camps and have successfully registered approx 80% of the villagers. They have installed solar lights in Munwas, Matata, Raya and Ghodach as well which has increased safety of women and has also reduced road accidents in the region.

# TESTIMONIALS

**Thanuram Meghwal**  
(Principal, Raya Ghodach)

I am the principal of Govt. Primary School Raya. H.G. Foundation has done multiple development works in our school such as paintwork, renovation of toilets etc. They have established a computer lab in the school as well. Although the students in the school are very young but they take a lot of interest in learning on the computer. The project coordinator also visits the school regularly and conducts various new activities with the students. Through this initiative the enrollment number in school has also increased and is being appreciated by all in the village.

**Gangaram Dangi**  
(Community Member, Matata)

H.G. Foundation has been doing good work in our village. The roads have been cleaned and constructed, they also organise camps to share information about various government schemes that could be useful for us. They organised a free health check-up camp in the community too along with Chiranjeevi Registration Camp.

Quarter Updates (October to December 2022)
